NONPROFIT SOLUTIONS

The economic and organizational challenges facing nonprofit organizations today are greater than ever. Issues concerning financing, revenue enhancement, cash flow, investments, compensation, pension plans and technology put special pressures on management. By combining an intimate knowledge of your organization and our 25 years of experience serving nonprofit organizations, we are able to provide advice on a broad range of accounting and financial matters that will directly affect the success of your organization.

We provide nonprofit organizations with the personal attention necessary to respond to your unique needs. We bring the experienced knowledge of working with a broad range of organizations, including start-ups and established organizations, to all of our engagements. We are committed to quality and will deliver accounting, audit, tax and management advisory services performed to the highest professional standards.

AUDIT SERVICES

Our service philosophy focuses on improving the financial and operational performance of an organization. We work hard to establish a partnership arrangement with each client, enabling us to focus our audit procedures on identifying the key areas of improvement for the financial success of your organization.

We use advanced technology to streamline every aspect of the audit engagement, providing our clients with the most timely and efficient audit.

- > Audit, including OMB Circular A-133
- > Reviews and compilations
- > Retirement plan audit

TAX SERVICES

It is most important for organizations to maintain their tax-exempt status. Tax rules and regulations are constantly being modified and becoming more stringent. We will inform you of these regulations and make the appropriate changes to guarantee your compliance and avoid complications.

- > UBIT planning and maintaining tax-exempt status
- > State and federal tax compliance

ACCOUNTING AND ADVISORY SERVICES

In addition to providing the traditional accounting services, we also provide non-traditional services to fit your organization's specific needs. Our highly-skilled professionals work closely with management to ensure your organization is meeting its financial goals. No matter the issue, we have a solution for you. We provide quality financial reporting along with straightforward advice to ensure your organization achieves its strategic financial goals.

- > Outsourced accounting
- > Accounting policies and internal control review
- > Federal, state and foundation grant compliance
- > Revenue enhancement strategies
- > Cash flow budgeting
- > Investment management
- > Cost reduction plans
- > Labor distribution and timekeeping
- > Accounting software review and implementation
