**Providing solutions to  
the financial compliance  
and information systems  
of the private and charter  
school community**

**OUR HALLMARK:  
COMMUNICATION & ACCOUNTABILITY**

McQuadeBrennan, LLP, Certified Public Accountants provides specialized assurance, tax and consulting solutions to private and public charter schools throughout the Washington, DC metropolitan area. Our experienced professionals work collaboratively with charter and private school administrators and boards to address financial and operating issues on a broad variety of subjects.

Founded in 1980 in Washington, DC, McQuadeBrennan's extensive experience with private and charter schools allows us to assist school administrators to navigate the complexities of the financial issues of the education industry. Our staff has served in the capacity of board members, CFOs and auditors of numerous not-for-profit organizations, and that experience provides our professionals with key skills required to provide school management and boards solutions to the many challenges facing today's educators.

The financial and information system challenges of the private and charter school community are complex and directly impact the quality of the education delivered to an institution's students.

McQuadeBrennan's experienced professionals provide its private and charter school clients audit and tax consulting services on a wide variety of issues. Our direct, hands-on approach to each engagement is what sets us apart from other organizations. Our communication with our clients is continuous throughout the year and our professionals are prepared to discuss and recommend solutions for a school's operational and financial issues.

McQuadeBrennan professionals have the knowledge and experience to provide best practices and solutions for schools. We believe the financial and operational challenges facing schools should be addressed head-on to avoid problems and to allow schools achieve the goals set by its governing board. Our experienced professionals understand how to interpret the existing and emerging issues that, and implement solutions for our private and charter schools.

McQuadeBrennan's experienced professionals understand the challenges faced by educational institutions. From traditional accounting and auditing services, school construction and financing through the use of industrial revenue bonds, the professionals at McQuadeBrennan provide our private and charter school clients effective answers and solutions.

At McQuadeBrennan, we take pride in delivering the highest quality professional services. We invest heavily in our most important asset – our people. Through advanced education, training, certifications and building relationships, we create the value that provides timely, effective answers to our private and public charter schools. Each McQuadeBrennan advisory team member is experienced in the unique and business issues of the private and charter school industry.

The financial challenges of schools and administrators have evolved with the changing regulatory environment. McQuadeBrennan LLP's services extend beyond the traditional accounting, audit and tax services. Our team of professionals advise our clients on the latest trends and offer innovative ideas to schools often not-so-traditional issues. Our services provide effective advice and solutions including:

- OMB A-133 Single Audits
- Federal, state and foundation grant compliance
- Cost reduction plans
- Federal and State Tax Compliance (IRS Form 990)
- Accounting software review and implementation
- Investment and Cash Flow Management
- Accounting Outsourcing Solutions
- Pension plan management and administration
- Internal Control Review and Assessment
- Financing of New Facilities and use of Industrial Revenue Bonds
