ANNOUNCING OUR EXPANSION - NEW BRANCH OFFICE - ORLANDO FL

Jones, Maresca & McElwaney (JM&M), a Certified Public Accounting firm, based in Washington D.C., is pleased to announce the opening an office in downtown Orlando, FL.

JM&M is a firm that provides accounting and tax services primarily to organizations, but has a special emphasis toward clients in the construction/real estate industries, and as well as not-for-profit organizations. For the past 20 years the firm has already been providing service to organizations in the Orlando area, but recently decided that it was now enough to open an office to better service those clients.

Terry Mullen, CPA a resident of Orlando, will be leading the team in the Orlando office. “Orlando is home for me and moving back was such an easy decision. The opportunities here are endless, and I'm so excited to bring our expertise and commitment to the accounting profession to a place that I love.” Clients will work with talented professionals dedicated to providing superior client service. “Our goal has always been to develop long-term relationships with organizations and individuals by providing quality service”, says David Jones, Managing Partner of JM&M.

Opening a new branch office in Orlando is a step further into achieving our goal of providing long-term commitment and strategic relationships with organization and individuals. We extend a warm welcome to all local businesses and individuals who wish to build and receive support through excellent levels of knowledge and attention required to manage your business needs.

About Jones, Maresca & McElwaney

JM&M is a regional Certified Public Accounting firm with offices located in Washington, DC, Columbia, and Largo, Maryland, and now Orlando, Florida. The firm has been providing a full range of auditing, review, accounting, tax, and consulting services for over thirty years. JM&M presently services over three hundred non-profit entities and 150 construction/real estate based businesses. The firm's professional staff is comprised of individuals with extensive experience and expertise in the not-for-profit, construction, and various other industries.. In addition to the audit practice JM&M has a strong focus on tax matters from deciphering complex regulations to the administrative coordination necessary in large, multi-location entities.
